VOTING INSTRUCTIONS FAQ

1. Who can vote?

Plankowners, Flag Members and Gold Flag Members. Just one vote per membership. If we get multiple votes from the same membership and they don't agree, the last one received counts.

2. How can I vote electronically?

Use the link at the top of the Ballot. Just Click on it and fill out the ballot. The form will verify your email as your electronic signature.

3. How can I deliver paper ballots?

Hand carry them to the club or scan them and email them to <u>office@vallartayachtclub.org</u>

4. Can I nominate someone who isn't on the ballot?

Yes, from the time you get the ballot right up to nominating someone from the floor at the meeting. It can even be yourself. There's a blank for nominations on the ballot. If you want the membership to know about your nominee before the meeting, send a note to <u>secretary@vallartayachtclub.org</u> before March 10. I will notify the members about other nominees.

5. What is the cutoff time for voting?

For Electronic voting 5:00 PM on Saturday April 6 For paper ballots, there will be a close of voting during the meeting after nominations from the floor.

6. Can I change my vote?

Yes. For Google Forms, you must be using the same device (computer, phone, tablet, etc) and browser (Chrome, Edge, Safari, etc) as you originally voted on. For paper votes, mark your new ballot as "revised" and add date and time.

7. What if I don't know my member number?

Contact the club at 322 297 2222 or by email to office@vallartayachtclub.org
